Game Progression & Save System

Time Enforcers features an Interactive Table of Contents that tracks your progress as you move through the game.

- Unlocked chapters become accessible as you progress.
- Players can resume from their last completed section at any time.
- The game automatically saves progress, so there's no need to manually save.

If you return to the game later, you can select any unlocked chapter to continue your adventure without losing progress.

Chapter titles unlock in the Table of Contents as you progress, allowing you to resume where you left off or revisit your favorite parts of the game.

Game Progression

Advancing to the Next Level

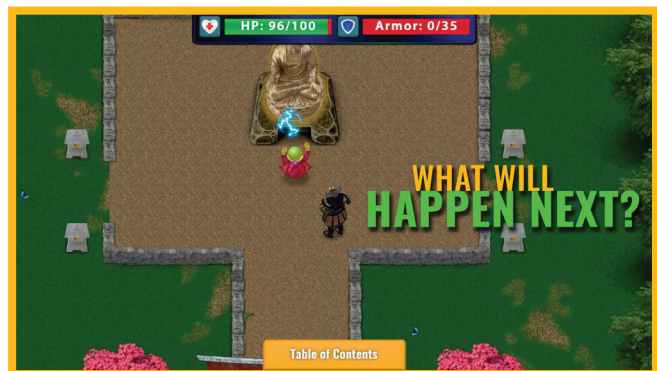

- Defeat all of Chronolith's Minion Aeros.
- Once the enemies are cleared, approach Chronolith or the Inquisitor to launch the next cut scene.

What if Kaizen is Knocked Out?

If Kaizen is defeated by Chronolith's Minion Aeros, he can be re-spawned, allowing you to continue the game.

Stuck on level? Try This!

- Did you defeat all the enemies on-screen?
- If not, eliminate the remaining minions.
- If enemies are gone, interact with the remaining nemesis (Chronolith or The Inquisitor).

Cleared all the bad guys? Approach Chronolith and uncover what happens next!
