LONG DESCRIPTION

In *Time Enforcers*, players embark on an epic journey through history to protect reality from collapse. Designed for all reading levels, this genre-defying game presents its story through a fully animated digital comic, complete with synchronized Voiceover narration, speech bubbles, and thought captions to support reading development.

Players can explore historical settings in RPG-style missions, pilot futuristic aircraft in arcade-style shootouts, and engage with characters in rich, educational cutscenes. With no internet requirement, ads, or microtransactions, *Time Enforcers* is a safe and enriching experience for families and classrooms alike.
